1934 BEARER BONDS DECREE

Revelations 18:1-5

18 And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

² And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

³ For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

⁴ And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

⁵ For her sins have reached unto heaven, and God hath remembered her iniquities.

To: Honorable Leaders

I hereby decree, under the authority of my Mandate, enclosed herein, to lodge this 1934 Bearer Bonds Portfolio with the Federal Reserve Banking System and the United States Treasury.

This is for payment on demand for all payments owed for the ninety (90) years of leasing the D.F. Royal Society Gold to support and underwrite the Bretton Woods Banking System, the Federal Reserve Banking Network and Systems, and the United States Treasury. Leasing terms are detailed in the 1934 Bearer Bonds Portfolio included herein.

IMFC FOUNDATION

This decree also demands the immediate return of the gold collateral identified with these 1934 Bearer Bonds. The gold must be returned to the D.F. Royal Society through the IMFC Trust and the Atlas Monetary Fund Trust.

We understand these terms cannot be met, therefore, we will accept the purchase of all debt of the Federal Reserve System, as part of an insolvency agreement, where the IMFC Trust and the Atlas Trust execute a change of control and take over all operations of the Federal Reserve System.
