I AM WHO I AM HARMONEOUS WORLD COVENANT

I _____ representing _____ enter into this
Covenant on this day _____ with I Am Who I Am and with clean hands and pure heart
with my own free will.

The terms of the Cleansing Decree, copy attached, have been satisfied. We are requesting
funding in the amount of \$ _____. These funds are for the continuation of
Governance, with a balanced budget, for the people I represent.

Upon receiving this collateral for funds from I Am Who I Am Harmonious World Trust, I
promise and commit to use these funds for governance, humanitarian and harmonious projects
for the benefit of all God's children and natural life on this Planet.

I understand I will be subject to Spiritual and Human oversight through The Atlas Trust. The
USE of these funds will be subject to an audit for proof of funds, history of funds and USE of
funds periodically. Failure to meet the terms of this covenant will result in an Atlas Trust, truth
and reconciliation tribunal. Failure to keep this commitment will result in full accountability to I
Am Who I Am and His children of the human race.

The terms for these funds include the following:

Under the Tree of Life, all projects funded will support all God's children, both Spiritual and
Human natures, for all facets and phases of human life, from beginning at conception to
ascension, the entirety of this physical life.

All systems and products from the Tree of Knowledge, used to do harm to the human race and
natural life here on earth, are to be destroyed and buried like the seven plagues against
humanity from the Book of Revelations.

This includes financial, religious, information, military, medical, governmental, and supply chain systems, weaponized for:

- All laws, rules, activities and systems making women subservient to men, second class citizens and unequal are out of harmony
- Killing children for their souls and their blood resources
- denying humans access to their spiritual nature,
- harvesting and herding humans on animal farms (slavery),
- raping and pillaging God's children for personal vices,
- monopolizing funds for dominating and enslaving others
- slaughtering humans for any and all reasons
- creating information illusions of all kinds to trick and harm others
- to hoard and monopolize resources for manipulation and control

Humanitarian and harmonious purposes for the benefit of God's children include:

1. Obeying God's Laws, as expressed in the Ten Commandments
2. Confucius principles for Harmonious relations
3. Giving water from the Spring of Life, free of cost (Revelations 21)
4. Promoting, embracing harmony and equality between men and women
5. Protecting God's children from conception forward
6. Serving, protecting and helping the vulnerable, the poor and have nots.
7. Using military resources to serve and protect only.
8. Embrace, protect and share the TRUTH, and it's pursuing, in all situations
9. Make Spiritual Life for humans the top priority
10. Make all things that, No amount of money can buy, the most important and valuable things in life - relationships, health, well being
11. Protecting, embracing and facilitating human spiritual life, communication, and activity directly with I AM WHO I AM. Celebrating the Divine Spark and its priceless value in all human beings.
12. Protecting, embracing, defending and supporting the process of creating human beings, beginning to end. Recognizing, supporting, and cherishing the unique and critical role of all women in this process.

Egregious violations of the use of money will be given the most serious attention by an Atlas tribunal, possibly leading to the humbling, separation and/ or removal of such perpetrators with the human race.
